Around 90 School Internship Research reports were submitted by student teachers with the guidance of faculty members. An exhibition on teaching aids by second year students was organized on 01.10.18. A Digital audio story book was released as a part of Reading and Reflecting on Texts activity by first year students on 28.11.19. First year student teachers attended their 4 – week school internship programme with a Mini teaching workshop, Lesson plan writing workshop and visited Vallaba Vidhyalaya School,

Dr. Thirugnanam Primary school and Thiagarajar Model Higher Secondary School in the month of December 2018 as a part of innovative school visit programme. A senior teacher demonstration class was held with the help of Thiagarajar Model Higher secondary School teachers on 04.02.19. As a part of Drama in Education activity, students performed 10 skits on 06.03.19. A programme with children of Thiagarajar Nursery and Primary school titled ‘Mazhalai Mayakkam’ made them aware on traditional games on 16.03.19.

Memorandum of Understanding

A MOU was signed between our College and National Institute of Banking, Madurai which is a leading institute for preparing students for Teacher Eligibility Test. Currently, second year student teachers are undergoing a crash course of 75 hours duration conducted at our campus. We are confident that our student teachers will come out in flying colours in TNTET- 2019 examinations. A MOU was signed between our college and Heartfulness Institute, USA for a free online course of 30 hours duration on “Meditation based self-development programs” to first year student teachers.

Activity Based Classes

Teaching involves certain skills. Activity based classes apart from the B.Ed. curriculum are developed by the faculty team and are offered to the student teachers. Computer Classes focus on giving hands on training in MS- Office. Educational Technology classes help the student teachers to handle smart board. Language Lab enhances their LSRW skills. Art and Craft classes teach them the aesthetic sense, a quality required for modern teachers. Library classes make the students to smell the books and enjoy its fragrance. Music classes prepare them to integrate classroom teaching with sounds of music and movement. Psychology lab classes showcase student’s personality traits and introduces different tools and techniques of student testing. Physical Education classes feeds their psychomotor domains.

Tutoring classes are conducted for the students of Thiagarajar Model Higher Secondary School. Every first-year student teacher spends about 40 hours of one to one tutoring with a school student. The fruits of the programme was visible in the student’s progress and was very much appreciated by the school management.

Examinations

Examinations are the part and parcel of the B.Ed. curriculum. The Internal, Revision and Model exams were conducted on the schedule below.

Examination	First year	Second year

- One day workshop on “Advanced Knowledge Resources And IPR in Research” Organized Thiagarajar College of Engineering, Madurai on 27.03.2019.

Conclusion

In the words of Jean Piaget “The goal of education is not to increase the amount of knowledge but to create the possibilities for a child to invent and discover, to create men who are capable of doing new things”. Our CMD Shri. Manickam Ramaswamy echoed the same outcome of education in different words “Make every man a success and no man a failure”. We have a great mission ahead and it is to help our students learn the right thing and enable them to manifest what they have learnt. This manifestation of perfection is possible if our minds and hearts are united in marching towards the goal we have set.

I wish to conclude this presentation with a prayer to God thanking him for his benevolence and grace and seeking. His blessings and guidance to make our tomorrow more rewarding and more fulfilling.
