About the National Level Seminar

Learning in general for a human being in one's own life span is the gift of 'Dharma'. To be born is to be humane. Modern world intervenes in all the walks of the life with endurable challenges. Today's human life becomes a competent one from womb to tomb.

Everyone needs to enjoy the essential values and virtues of Godsent life meaningfully with rationale intelligence. We are Omnipotent yet we are chained everywhere in the crust of the earth.

Budding educators should come forward to break the barriers with their optimistic views of talents anew. The society has the fidelity that educationist will definitely find a solution where we feel morally compelled to confront global injustices and take responsible action to promote a just, peaceful and sustainable world. The learner and the learned have to customise and break the monotonous style of learning in order to reach the zenith by breaking or surpassing the routine impediments enroute in day to day life which shun our progress in this mundane world.

With this background, Thiagarajar College of Preceptors proposes to hold Two day National Level Seminar on the theme **"GLOBAL COMPETENCE LEARNING: BREAKING BARRIERS BEYOND LIMITS"** during 30th and 31st March 2017 which aims at providing a unique platform to discuss and analyze the issues related to global competence learning and to reach out to a conclusion or a solution regarding the barriers in general and to the specific.
